Forward-Looking Statements

This press release includes forward looking statements that involve risks and uncertainties. Forward looking statements are statements that are not historical facts. For example, forward looking statements in this press release relate the completion of the private placement, the satisfaction of customary closing conditions related to the private placement and the intended use of net proceeds from the private placement. Such forward-looking statements are subject to risks and uncertainties, which could cause actual results or outcomes to differ materially from the forward-looking statements. Most of these factors are outside of Diginex's control and are difficult to predict. Factors that may cause such differences include, but are not limited to: the ability to recognize the anticipated benefits of the business combination; the ability of Diginex to grow and manage growth profitably; Diginex's limited operating history and history of net losses; Diginex's ability to execute its business plan; the inability to maintain the listing of Diginex's shares on Nasdaq; Diginex's estimates of the size of the markets for its products; the rate and degree of market acceptance of Diginex's products; Diginex's ability to identify and integrate acquisitions; potential litigation involving Diginex or the validity or enforceability of Diginex's intellectual property; general economic and market conditions impacting demand for Diginex's products and services; and such other risks and uncertainties indicated in Diginex's Shell Company Report on Form 20-F, including those under "Risk Factors" therein, and in Diginex's other filings with the SEC, which are available on the SEC's website at www.sec.gov.

In addition, any forward-looking statements contained in this press release are based on assumptions that Diginex believes to be reasonable as of this date. Diginex undertakes no obligation to update any forward-looking statements to reflect events or circumstances after the date of this press release or to reflect new information or the occurrence of unanticipated events, except as required by law. Other than those of Diginex, all names, trademarks and logos in this Press Release and used in the materials herein belong to their respective owners. Nothing contained on this Press Release should be construed as granting, by implication, estoppel, or otherwise, any right or license to use any third-party names, trademarks, or logos displayed on the Press Release without the written permission of such third-parties.
