### Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. All statements in this press release other than statements of historical facts are "forward-looking statements".

These forward-looking statements involve known and unknown risks and uncertainties and are based on the Company's current expectations and projections about future events that the Company believes may affect its financial condition, results of operations, business strategy and financial needs. Investors can identify these forward-looking statements by words or phrases such as "approximates," "believes," "hopes," "expects," "anticipates," "estimates," "projects," "intends," "plans," "will," "would," "should," "could," "may" or other similar expressions, although not all forward-looking statements contain these words. Forward-looking statements in this press release include statements regarding the timing and completion (including the ability to meet the required closing conditions) of the contemplated transaction and the potential value to shareholders. Each of these forward-looking statements involves risks and uncertainties that could cause the Company's future results or performance to differ materially from those expressed or implied by the forward-looking statements. Many factors may cause differences between current expectations and actual results. The Company undertakes no obligation to update or revise publicly any forward-looking statements to reflect new information, subsequent occurring events or circumstances, changes in its expectations or otherwise, except as may be required by law. Although the Company believes that the expectations expressed in these forward-looking statements are reasonable as of the date of this press release, it cannot assure you that such expectations will turn out to be correct, and the Company cautions investors that actual results may differ materially from the anticipated results and encourages investors to review other factors that may affect its future results disclosed in the Company's filings with the SEC.
