

## Diginex Announces Funding Progress and Final Extension of Long-Stop Date for Proposed Acquisition of Resulticks

July 6, 2026

LONDON, July 06, 2026 (GLOBE NEWSWIRE) -- Diginex Limited (NASDAQ: DGNX) ("Diginex" or the "Company"), a provider of ESG, sustainability, and compliance solutions to institutional and corporate clients, today announced that it has mutually agreed with Resulticks Global Companies Pte. Limited ("Resulticks") a final extension of the Long Stop Date under the Sale and Purchase Agreement (the "SPA") relating to Diginex's proposed acquisition of Resulticks (the "Transaction") from 30 June 2026 to 31 July 2026.

The Parties believe that they have now received firm intent to fund the transaction from private investors, and are now working to finalise funding documentation. The Company reiterates that it does not intend to launch public funding rounds in order to complete the Transaction.

It is anticipated that this will be the last extension of the long-stop date, and the Company expects to provide an update of final transaction and funding details to shareholders on or before 31 July 2026. The Company's intent is to put the Transaction to a shareholder vote shortly thereafter.

The proposed Transaction and funding, originally announced on 16 April 2026, remains subject to the satisfaction or waiver of the remaining conditions precedent contained in the SPA. There can be no assurance that the funding and any conditions will be completed, satisfied, or waived, or that the Transaction or funding will be completed on the terms described, or at all.

**About Diginex** Diginex Limited (Nasdaq: DGNX; ISIN KYG286871044), headquartered in London, is a sustainable RegTech business that empowers businesses and governments to streamline ESG, climate, and supply chain data collection and reporting.
